Welcome

This edition of The Aficionado summarizes our 2015 club events and collects together the “how to” information from our website forums. Thank you to everyone that contributes to and maintains the forums.

Recently we've had inquiries about the club and how to get involved. This newsletter can be the starting point to help new people that are not yet familiar with the club forums to discover what the club does, how to join and participate.

Note that portions of the detailed information in this newsletter are based on 2015 and they are subject to change in 2016. Details may be updated at any time and it is best to regularly check the club forums for the most up-to-date information: <http://forums.wscc.mb.ca>

Please distribute this newsletter to anyone that is interested in joining, participating or volunteering with the Winnipeg Sports Car Club.

Our first event of 2016 is Ice Racing that starts in January and continues on into early March.

Also in March, look for six of our cars in the Winnipeg Sports Car Club booth at the 42nd Annual World of Wheels on March 18, 19 and 20 in the newly expanded RBC Convention Centre, 375 York Avenue, Winnipeg, Manitoba.

Please email any updates, corrections or suggestions regarding this newsletter to: khilash@mac.com

How to Volunteer

The club can always use additional people at our Ice Race, Autoslalom, Road Race and Drift events to ensure they run safely and smoothly.

Who Can Volunteer?

-Any body over the age of 16 on the date of the event is welcome to volunteer at the track, we have many positions available for people who are young and old, including but not limited to; corner marshal, grid runner, gate, timing and scoring, rescue...

What if I want to bring a Friend?

-Bring them on out, I am yet to have a day where I have "too many" volunteers

Where Can I Stay at Gimli Motorsport Park?

-Camping is free on site, with limited power you also have some hotels and motels in Gimli that will often have vacancy on race dates if you book ahead

What are the Benefits of Volunteering at the track?

-There are many good reason including free track time, paid lunch and those who are still in school looking for a volunteer credit, you could receive 16 hours a weekend or even more if you come out Friday too.

-After racing Saturdays the track is opened up for approximately 1-1.5 hours for those who volunteered at the track That Day

-If you volunteer on a Sunday, We will give you a credit to use on a Half Day of lapping on a following Friday. This credit will be held on file for 1 calendar year.

Where Do I Sign Up?

-The best way to be put on the volunteer list is to contact myself via phone or e-mail

--When you are on the list you are also building hours for benefits of a FREE Banquet Ticket then a FREE Club Membership

If you are interested in volunteering with the club please use the form on the next page or contact: Bryce Stewart, Volunteer Coordinator at (204)997-7774 or bryce.wsc@gmail.com.

2015 Ice Racing Results

During the winter the Winnipeg Sports Car Club organizes ice racing in and around Winnipeg and Gimli on frozen water bodies. The cars race on a closed ice track created by plowing snow down to the ice with snow banks defining the track edge. In 2015 the locations included:

- Mazenod Road retention pond, south of Dugald Road, Winnipeg, Manitoba
- Lake Shirley Water Ski Pond, Murdock Road, south of Dugald Road, Winnipeg, Manitoba
- Lake Winnipeg, opposite the Lakeview Inn in Gimli, Manitoba

There are various classes of cars but the main classes are cars that race “rubber to ice” (low grip) and cars that race with studded tires (high grip). The 2015 ice racing results were:

Ice

Class	1 st	2 nd	3 rd
SX	Bill Lagner	Jordan Sharples	Peter Jakabek
ST	Tim Gordienko	Mario Gagnon

Step #2)

Log in to your account OR create an account under "I am a New User".

The screenshot shows the Western Canada Motor Sport Association (WCMA) website. At the top, there are social media sharing buttons for Facebook, Twitter, and Email. Below that, a banner for the "Ice Race License" is displayed, featuring the WCMA logo and the ASN Canada FIA logo. The banner text indicates that registration ends in a month on December 31, 2015, at 11:59 PM MST. It also mentions that WCMA has been delegated authority for amateur motorsports in Alberta, Saskatchewan, and Manitoba by ASN Canada FIA. WCMA is affiliated to ASN Canada FIA. License fee: \$45 and Late fee: \$35. Below the banner, there is a section for "To register, select one of the following options and continue...". Two buttons are shown: "I have an Account" and "I am a New User". The "I am a New User" button is circled in green. To the right of the main content, there are sidebar links for "View current race", "DOWNSIZE IT", "Western C", "Contact", "Questions?", "VENUE", "WCMA Lic", "Location", "Video", "Private Drive", "PC", "Hotels", "use our", "Snowridge Inn & Suites", "Delta Edmonton", and "Motel 6".

2015 Autoslalom Results

Great pictures of autoslalom in the rain: <http://forums.wscc.mb.ca/index.php?/topic/10083-june-7th-autocross-pictures/>

The Winnipeg Sports Car Club organizes autoslalom racing in and around Winnipeg. The track is laid out with orange traffic cones and cars run one at a time through the course competing for the best time in multiple classes.

The main location is the St. Andrews Airport just north of Winnipeg with events also held at the Red River Exhibition Park in Winnipeg and on the race track at the Gimli Motorsport Park in Gimli, Manitoba.

A race license is not required to compete in autoslalom making it one of the most accessible motorsports to participate in. The 2015 autoslalom results were:

Autoslalom

Class	1 st	2 nd	3 rd	4th
Street Division	Jeff Janzen (Jeff)	Joe Premecz (MRS Joe)	Charles Friesen (Charles)	Tim Robinson (justkickin)
Mixed Division	Corey Dyck (Corey)	Jeremy Linton (jlinton)	Tony Tarnowski (Tony Pajamaz)	
Modified Division	Jeremy Choy (tatawaki)	Ben Van Der Zaag (Run Away)	Noel Mattson	Chris Deacon (apex)
Novice Division	Stephan Gravenor			
Cone Killer Award	Jeremy Choy (tatawaki)			

How to Autoslalom

1. Renew through DLB

If you are interested in autocrossing with the WSCC this season, it's highly recommended to get an annual membership. You will get a \$10 discount for each autocross event. The annual membership dues are \$50. So you will get your money's worth if you plan on attending 5 or more autocross events in addition to all the other benefits of an annual WSCC membership.

To renew or apply for a new membership:

- Go to <http://www.dlbracing.com> and create an account or log in if you already have one.
- Choose "My Clubs" and search through the list for Winnipeg Sports Car Club.
- Fill out the application and make sure your info is accurate. It will need to match your MSR profile (see step 2).
- If you're a new member applying for the first time, you don't need to provide a member # as you haven't been assigned one yet.
- Pay your dues via PayPal.

2. Create a profile on MSR

WSCC Autoslalom division is now using a new event registration system for 2015, MotorsportReg (MSR). This system is widely used across North America by over 700 clubs, including the SCCA for Solo Nationals and Tour events.

You will need to create an account on MSR to register online for 2015 autocross events.

- Go to MotorsportReg.com and create an account.
- Please use the same email you used on your account on DLB. This same email will be used to contact you regarding event info.
- Please make sure your first and last name are spelled exactly as in DLB.
- Once you've created your account, join the WSCC as one of the clubs you're a member of. It should come up as a suggestion on your dashboard. Otherwise, you can find your club info under "My Account" and add it from there.
- When joining you will be asked to provide a member # if you have one. Otherwise, you can leave it blank.

3. Reserve a permanent number for the 2015 season

If you would like to reserve a permanent number for the 2015 season, follow the procedure in the 2015 permanent number thread.

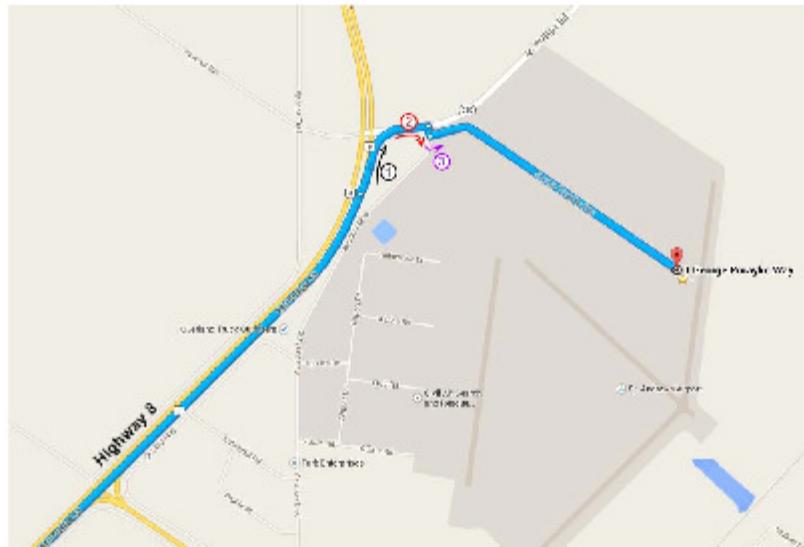

4. You're done! You can visit the website <http://wscc.motorsportreg.com> to view the calendar and register for future events.

While it's not necessary but it's highly advisable to do the above process ahead of the season. It can take up to a week for your membership info to be verified. This will ensure that any possible issues that may arise can be resolved in a timely manner.

For more information on how to get involved in Autoslalom see <http://www.wscc.mb.ca/autoslalom/> on the club website and check the Autoslalom section on the club forum: <http://forums.wscc.mb.ca>.

Directions to Autoslalom

Directions to the WSCC Autocross Venue at St. Andrews Airport

Drive North from Winnipeg on Highway 8

Highway 8 is also known as "McPhillips Street" while you're still in the city.

Drive 12.5 km / 8 min out of the city (North of the Perimeter Hwy)

1. Turn right off Hwy 8 onto McPhillips Rd / Hwy

230

Watch for road signs that say "McPhillips Rd" and "Selkirk" and Highway number "230."

Continue for 450 m

2. Take the first right onto Aviation Blvd

Continue for 39 m

3. Take an immediate left onto George Porayko Way.

It is a low speed gravel road that drives past the airport tower. Follow it all the way to the end, where you will see orange cones that guide you into the grid area. Drive slowly on this road.

17th ANNUAL CLASSIC MOTOR WORKS VINTAGE RACE WEEKEND

Gimli Motorsports Park is located in the Rural Municipality of Gimli, one hour drive, north of Winnipeg, Manitoba.

Entrance off highway 231 - 2km west of highway 8.

2015 Road Race Results

The Winnipeg Sports Car Club organizes road racing at the Gimli Motorsport Park in Gimli, Manitoba. The 1.3 mile (2.09km) race track consists of 8 or 9 corners (the last corner can be configured in two different layouts as one or two corners).

The racing includes multiple classes of fully prepared open and closed wheel race cars. Open wheel and closed wheel cars compete in separate races and street cars race on the track against the clock in Time Attack.

Both road racing and Time Attack require the driver to have the appropriate WCMA license (Amateur / Historic license for road racing, Basic license for Time Attack). To get licenses, the club holds a High Performance Driving Experience (HPDE) race school in May each year that includes classroom and race track sessions.

In 2015, the annual vintage weekend attracted cars and drivers from five provinces (B.C., Alberta, Saskatchewan, Manitoba and Ontario) and two states (North Dakota and Minnesota).

The 2015 road racing results were:

The poster features a vintage racing theme. At the top left is the Winnipeg Sports Car Club logo, which includes a classic racing car inside a circle with the text "WINNIPEG SPORTS CAR CLUB" and "wscc.mb.ca" around the border, and "Since 1952" in the center. To the right of the logo, the text "Winnipeg Sports Car Club" and "Presents..." is written in a cursive font. The main title "The Annual Vintage Race Weekend!" is displayed in large, bold, red serif letters. Below the title are several images of vintage and modern racing cars in motion on a track. The text "Dust off that race car and get motoring!" and "Fun for the whole family!" is written in a cursive font. The "Dates:" section lists the event days: "Friday August 7th: lapping", "Saturday August 8th: time attack and racing", and "Sunday August 9th: racing". The "Special Notes:" section includes "Vintage Car Show and Parade Laps & Pig Roast BBQ Dinner on Saturday!" and "Bring your cameras and your appetites!". For more information, it provides the email "roadrace@wscc.mb.ca". Logos for "WCMA ASN Canada FIA 1991-2011" and "CLASSIC MOTOR WORKS" are shown, along with the text "Sponsored by". The poster is signed off with "Poster created by: White Pawz Productions".

2015 Time Attack Results

The Winnipeg Sports Car Club organizes Time Attack at the Gimli Motorsport Park race track in Gimli, Manitoba on the Saturdays of road race weekends.

In Time Attack, multiple cars compete on the track at the same time against the clock. The fastest lap times on a race weekend are often set by a driver during the Time Attack sessions.

Mostly newer street cars compete in Time Attack and as they do not require safety equipment, such as roll cages, passing is only allowed in designated areas and no wheel to wheel racing is allowed.

Time Attack requires the driver to have a WCMA Basic license that can be obtained by attending race school in May each year. The race school, or High Performance Driving Experience (HPDE), includes classroom and race track sessions.

The 2015 Time Attack results were:

Time Attack			
	1 st	2 nd	3 rd
Driver	Darin Wach (NoPistons)	Sara Wach (84 TurboSupra)	Carlos Cordiero (Carlos1)
Fastest Lap	Kevin Kok (yip223)	01:08.51	
Fastest PAX	Jason Pankratz(jasonpank)	01:05.30

How to Road Race / Time Attack

To participate in road racing and/or Time Attack the driver requires the appropriate WCMA license (Amateur/Historic license for road racing, Basic license for Time Attack), approved safety equipment and the car must meet technical regulations.

The step-by-step requirements to obtain or renew a WCMA license are listed on the Western Canada Motorsport Association website: <http://www.wcma.ca/new/racing/competition-licenses-event-permits/>.

To register for a race weekend, road race or Time Attack, go to <http://www.dlbracing.com> and search for the Winnipeg Sports Car Club events.

For information on how to get involved in road racing see <http://www.wscc.mb.ca/road-race/> on the club website and check the Road Race section on the club forum: <http://forums.wscc.mb.ca>.

For information on how to get involved in Time Attack see <http://www.wscc.mb.ca/time-attack/> on the club website and check the SoloSprint section on the club forum: <http://forums.wscc.mb.ca>.

How to Hot Laps / Test n Tune

On Fridays before a road race weekend the Winnipeg Sports Car Club organizes “hot laps/test n tune” at the Gimli Motorsport Park race track in Gimli, Manitoba. This is a non-timed event and an opportunity for club members to run their street cars on the race track, test and tune their race cars and practice skid pad drifting.

There are two sessions, session 1 starts at 12:00noon until 3:30pm and session 2 starts at 4:00pm until 7:30pm.

Minimum requirements are a valid drivers license, a valid Snell M or SA helmet, a membership \$50, plus entry fee of \$60 (one session) or \$100 (both sessions).

Memberships and entry forms are available at the event and online registration at <http://www.dlbracing.com/> (search for the Winnipeg Sports Car Club events).

For more information on Hot Laps/Test n Tune check the Hotlap Discussions in the Road Race section on the club forum: <http://forums.wscc.mb.ca>.

How to Drift

Drifting is the newest discipline to join the Winnipeg Sports Car Club. In 2015 drifting was held at the Gimli Motorsport Park on a section of the abandoned runway just south of the road race course.

In drifting the drivers slide their cars around a skills obstacle course and compete on both speed and style.

Drifting Requirements:

- Helmets: as per WCMA regulations. SA is preferred. If your car has a roll bar/cage SA will be required.
- WCMA membership: please register (\$50 for annual) and have your card prior to attending.

For more and updated information on how to get involved in Drifting please email drift@wscc.mb.ca and check the Drift section on the club forum: <http://forums.wscc.mb.ca>
